Song of the Lord: The Bhagavad Gita Mr. Thomas Paul Emerson

Over a thousand years before the birth of Christ, another messiah was believed to be God living and breathing with us here on earth. His name was Krishna, and his words are immortalized in a legendary book called the "Bhagavad Gita," which means "Song of the Lord." This great epic begins on a battlefield in India, on a predawn morning just before a terrible war, Krishna explains to a young prince who's in anguish, the purpose of our life here on earth, the true nature of the soul, and what happens to us after we die. No other literary work so beautifully and clearly describes this human quest for truth, and reveals the hidden mysteries of the universe-that Krishna says lay hidden deep within our own soul. This classic is sure to elevate your mind and expand your spiritual understanding. Also available on Kindle.
