The Foxfire Book, Foxfire 2, Foxfire 3, Three Volume Set with Slipcase

The Foxfire books are a series of copyrighted anthologies of articles originally written for Foxfire magazine, along with additional content not suitable for the magazine format. Though first conceived primarily as a sociological work, recounting oral traditions, the books, particularly the early ones, were a commercial success as instructional works. Members of the 1970s back-to-the-land movement used the books as a basis to return to lives of simplicity. The first book was published in 1972 as The Foxfire Book. This was followed by an additional 11 books, titled in sequence Foxfire 2 through Foxfire 12. The students have published several additional specialty books under the Foxfire name, some of which have been published by the University of North Carolina Press. In 1972, the first of the highly popular Foxfire books was published, which collected published articles as well as new material. Both the magazine and books are based on the stories and life of elders and students, featuring advice and personal stories about subjects as wide-ranging as hog dressing, faith healing, blacksmithing, and Appalachian local and regional history.
