This beautifully illustrated book takes readers on a guided tour of a single day in an upper-crust English home of the Edwardian era. Starting with the servants hard at work while the family is still abed, and culminating in a lavish dinner party, *Upstairs & Downstairs* lifts the curtain on this fascinating period, as well as its historical bookends, the Victorian and post-World War I eras. Includes accounts from actual masters and servants, along with feature spreads on famous figures like Winston Churchill and Virginia Woolf.
