## **A Mantle of Stars: A Devotional for the Queen of Heaven** Bibliotheca Alexandrina

Peel back the layers that comprise the Queen of Heaven. She is Mother Mary weeping at the cross, and Hathor dancing in the sky. She is Freyja with her wild eyes, and Frigg with her open arms. She is Yemaya, keeper of the sea; compassionate Kuan Yin; and she is winged Isis. Her starry body stretches across the sky in the guise of Nut, and she is Saraswati's gentle song. She is Juno, and Hera, and Tanit, and a thousand forgotten names, and she is Inanna, descending to the underworld to be reborn. The voices in this anthology are as diverse as the different goddesses who have claimed the title Queen of Heaven, but each sparkles like the stars in Our Lady's mantle.
