After the death of her mother, twenty-year-old Imogen Bennett faces the prospect of being coerced into marriage by a scheming relative, but fate intervenes when a masked highwayman accosts her on the road. Desperate to escape the unwanted wedding, Imogen pleads with the mysterious, handsome rogue to rescue her.

Alistair Graham is a proud Scotsman who rebelled against British rule, and since the defeat of the highlanders at Culloden he has taken to robbing rich Englishmen travelling through Scottish lands. He is no gentleman, but he is certainly not a man who would ignore a young woman's pleas for help, and he agrees to do what he can to assist the beautiful girl he has waylaid.

Though Alistair warns her that he expects a woman's complete obedience both in bed and out of it, Imogen cannot help being drawn to him, and she soon finds herself longing for him to take her hard and thoroughly. When he claims her, Alistair's mastery of her virgin body leaves Imogen utterly spent yet still aching for more, but after her shock at her own wantonness leads her to speak disrespectfully to him he bares her bottom and punishes her soundly.

A highwayman is no suitable match for a lady, however, and Alistair fears that her association with him can only put them both in danger, so he makes her promise that she'll tell no one about what took place between them and then ensures that she is delivered safely to the home of her honourable cousin in Kirkleven. Yet despite her best efforts to put Alistair out of her mind forever, in her heart Imogen knows she will always belong to the man who rescued her, mastered her, and made her his. But will her highwayman ever return to reclaim his lady?

Publisher's Note: The Highwayman's Lady is an erotic romance novel that includes spankings, sexual scenes, anal play, elements of BDSM, and more. If such material offends you, please don't buy this book.
