The Purpose of Life: Are we to be powerless pawns or reigning kings? What is our true purpose of being? Hemant Thorat

A challenging and provocative book that will be hard to push out of your mind once you have read it; It's claims and promises may challenge you to test them or you may be too much of a cynic to give yourself the chance to believe, yet it will not be a book you will forget very quickly. Some of the author's affirmations may be too bold or direct for some readers, yet their logic, simplicity and provability will be hard to contest. It presents a paradigm-changing alternative to life as you may have always known it.

You need not be subject to the old boundaries and limitations, of self, society, tradition, science and religion! You can break free. You can know true freedom, and discover with a shock that it isn't what you thought it would be! Earth-shaking, mind-shattering truths, laid out in a straightforward manner that let you decide for yourself.

The language is simple, sometimes odd, and yet it hits the gut in a way that one cannot deny. If you are in a place in your life, where you are seeking a direction or meaning, then you should take the time to read this book; if you know someone who is hurting or in pain, or someone who is facing challenges in life, then you could even gift this book to them; surely many will thank you for it.
