Outlaw Lovers, Book Four

In the near future, a virus has been unleashed, killing a majority of the world's female population, forcing the introduction of the Claiming Law. A law that states men have all the rights and women are sexual property claimable by groups of men.

Laurie Callahan has always experienced red-hot pleasure and passionate love in Tyler Outlaw's arms. But when he's pronounced MIA, presumed dead in the Terrorist Wars, her world is shattered and her heart broken. For years Tyler Outlaw and his best friend Hunter Brown endured brutal torture and worse in a terrorist prison. Finally free of their hell, they return home intent on seducing Laurie into their erotic-filled fantasies.

Shocked to discover Tyler is alive and he's taken a male lover, Laurie is thrust into a sensual world of sizzling seductions, scorching ménages and the carnal desires that both scarred men crave. But she fears Tyler won't want her when he discovers she's not the same woman he left behind.
