Veterinary Cytology: Dog, Cat, Horse and Cow: Self-Assessment Color Review (Veterinary Self-Assessment Color Review Series) Kathleen Freeman

This book offers a sampling of cytological features and patterns as an aid to study, revision and continuing education for veterinarians in practice and training, for veterinary students, nurses, and technicians. The cases are presented randomly, are illustrated by 267 photomicrographs in full color, and appear as self-assessment questions and detailed explanatory answers. Species covered include the dog, the cat, and the horse, with additional material on the cow.
