As a young woman in Victorian England, Anna Champion knows all too well the social mores that value prettiness over sense, and etiquette over honesty. But when she stands up to the boorishness of dashing Christopher Davenport at a summertime ball, Anna unwittingly attracts his wrath—and becomes entangled in his malicious scheming.

After a lifetime of harboring shame and resentment, Christopher, a ruthless con artist, wants revenge, and unfortunately for Anna, he's decided that she will be the perfect pawn in his terrible plot. With a fierceness of spirit uncommon in well-bred young ladies in the nineteenth century, Anna will have to use her intelligence and courage to protect her loved ones. But can she also save herself?
