**A Witch's Handbook of Kisses and Curses** Molly Harper

**A lighthearted paranormal romance featuring a witch who finds love on a magical quest—set in Half Moon Hollow, the “terrific vamp camp” (*Publishers Weekly*) first introduced in the Nice Girls series.**

Nola Leary would have been content to stay in Kilcairy, Ireland, healing villagers at her family’s clinic with a mix of magic and modern medicine. But a series of ill-timed omens and a deathbed promise to her grandmother have sent her on a quest to Half-Moon Hollow, Kentucky, to secure her family’s magical potency for the next generation. Her supernatural task? To unearth four artifacts hidden by her grandfather before a rival magical family beats her to it.

Complication One: The artifacts are lost somewhere in vampire Jane Jameson’s occult bookshop.

Complication Two: Her new neighbor Jed Trudeau keeps turning up half-naked at the strangest times, a distraction Nola doesn’t need. And teaming up with a real-life Adonis is as dangerous as it sounds, especially since Jed’s got the face of an angel and the abs of a washboard. Can Nola complete her mission before falling completely under his spell?
