These studies have to do with unnatural power and satanic dominion over intelligent beings and God's provision for deliverance. These could be regarded as the most timely and powerful lessons ever prepared by Dr. Sumrall. Focusing primarily on doctrine, examined in volume one are such topics as the origin of Satan and demons, the names of Satan, recognizing demon power, demons and disease, the casting out of evil spirits, and demon influence upon the believer. At the end of the study guide, Dr. Sumrall lists and answers some of the common questions on the subject of demons and deliverance. (Note: This study guide is written in outline form and is most beneficial when accompanied by the audio or video teaching series.)
