His Mate- Brothers- Easter Special: Three Mates- One Book. M. L. Briers

Welcome to spring with this Brothers Easter Special. Three sexy shifter wolves meet their witchy mates in one bumper novel of 40,000 words at normal price as a special Thank You to my readers.

It's mating season and love is in the air, or rather eggs, raw ones, lobbed from an upstairs window, and hitting a very growly, unhappy alpha as he walked down the street.

Jesse's first meeting with the new witch sisters didn't go well. Egged, almost run over, and berated for just being alive- he had a plan to see those witches run out of town.

But in the supernatural world things didn't always go to plan, and so it was for his two brothers and him that things soon took a turn for the absurd.

Wishes were made and granted- and even the Easter Bunny got in on the act, but this was mating season- so wouldn't it follow that birds would be birds- bees would be bees, and wolves would get their mates?
