I Ching The Book of Changes: And the Unchanging Truth, Revised Edition Hua-Ching Ni

The philosophy found in the I Ching was created by the ancients from their careful observaton of nature. We 'moderns' can use the sixty-four hexagrams found in the I Ching as a predictive tool to enhance our lives and reconcile our spiritual and physical selves. When one consults the 'I CHing', the hexagram gives the general background of the situation, while the lines indicate the correct way in which to handle the specific circumstance. This masterful translation by Hua-Ching Ni is popular throughout the world.
