What do you see when the demons come?

For Special Agent Jana Baker, fear has a face. Terrorist Waseem Jarrah steals a nuclear weapon, and Jana's swirling nightmare begins again. He's got the United States in his crosshairs, and Baker might be the only asset that can stop him. But Jarrah is way ahead in the game, and Jana's terrifying flashbacks begin to scratch at her psyche. If she doesn't gain control of them, the next scream she hears may be her own.

Protocol 15 can be read stand-alone, but is the second book in the Special Agent Jana Baker spy-thriller series. If you like the heart-pounding action of Brad Thor, the steel-riveting pace of Tom Clancy, and the jaw dropping suspense of Dean Koontz, then you'll love a series that combines all of their best traits in a fast-paced, captivating, and emotion-filled thriller into the world of international terrorism.
