## **Stanton Series Box Set: Stanton Series (Box Set)** T L Swan

The complete Stanton series, Book1 Stanton Adore, Book 2 Stanton Unconditional and Book 3 Stanton Completely

She's kryptonite.

Sensual, sweet, and as annoyingly perfect as she was when I left 7 years ago.

My body remembers the way she felt underneath me, and wants her again.

My heart remembers the way she crushed it and wants as far away as possible.

But she's everywhere, haunting me, torturing me, driving me past all logical reason.

I need to forget her, move on and get her out of my system, but to do that,

I need to have her one.

Last.

Time.

It started as a kiss.

We never meant to fall in love.

But I was 17 and carefree,

And he was 19, beautiful and forbidden.

Our families never would have accepted it...

And I broke his heart to save his future.

Now the boy I loved 7 years ago is the man I can't have.

He's grown into everything my body craves, my heart demands...

and my sense of decency rejects.
