## **The Legendary Rabbit of Death - volume one [paperback] (Volume 1)** Ræchel Togden

The Rabbit of Death lives in the 'Cave of Everlasting Terror'. He rides out each day on his huge motorcycle to bring humorous chaos to the lives of rabbits in need of change. They greet him with trepidation, as he can be gruff and strange - but he is a kindly figure, even though he has a strange and startling way of helping. The rabbits he helps, join him in his mysterious world becoming the Rabbits of: Peace, Special Powers, Rainbows and Flyingness. But there are villains in the small Welsh rabbit town - the horrible chain-smoking rats Morgoth and Sowgoth Gizzardswill. The Rabbit of Death has to deal with them. These stories overflow with humour, word-play, and weird surprises. They carry a heart-warming message: everyone has skills and qualities that can be developed. Anyone can learn to become kind, creative, happy, and exciting.
