Billionaire architect Samuel Ryan has hidden the fact that he's a bear shifter his whole life—especially from women. Now he's building a second home near Mt. Hood where he can get away from his busy career and shift anytime he wants. When he meets his new, voluptuous construction supplier, he knows she's his mate immediately. But will she accept him if she learns the truth?

Most men think of Francesca “Frankie” Thompson as buddy, not a woman. And Frankie has a hard time not thinking of herself the same way. She's a curvy, down-to-earth girl who's happy running her family's building supply business, and doesn't expect much more from life. But when Sam shows up and sees her in a whole new light, Frankie suddenly finds herself wanting more from the sexy stranger ... and hoping it's not all a cruel joke.

But unbeknownst to them both, Sam is actually a shifter prince who can't take the throne without a mate. And someone wants very much to prevent that from happening. The easiest way? Make sure his mate wants nothing to do with him.

Each of the sexy books in the Alpha Bear Princes series includes a fated love story with a happily-ever-after; curvy, smart BBW heroines; and steamy billionaire heroes with heart-melting powers. (WARNING: These naughty princes might just melt your Kindles too!)

The books can be read in any order, but are most fun this way:

ALPHA BEAR PRINCES: PRINCE HUDSON

ALPHA BEAR PRINCES: PRINCE SAMUEL

ALPHA BEAR PRINCES: PRINCE ELLIOTT

ALPHA BEAR PRINCES: PRINCE MAXWELL

Enjoy them all! And don't forget to visit the author's website for an extra surprise when you finish the book!
