**Ruby loves having the two hottest guys in town chasing after her. Two competing alpha bears though? Things are spinning out of control FAST!.**

**The time has come for Mac and Travis to decide who the real Alpha in the clan is, with Ruby as the prize.**

6 Bonus Bad Boy stories included!!!

Ruby took a job for the summer in her uncle's parts store in the middle of nowhere Montana, happy to get away from her divorcing parents' fights.

But a college girl like Ruby needs a little bit of fun, and a little bit of trouble in her life.

Lucky for Ruby, there are two fast driving, hot gearheads in town that have her in their sights.

Ruby quickly learns though that things are not what they seem in her home for the summer.

Getting involved with Mac and Travis means getting involved with two competing Alpha Bears. It means getting involved with the massive Bear Shifter Clan that occupies the town.

If only she knew what she was getting herself into beforehand.

But even knowing the drama and danger that would unfold would probably not be enough to make her resist those eyes, those muscles, and those bad boy bear shifters in their hot and fast rides.

Warning: "Taken by the Clan Alphas" is a paranormal shifter romance with adult language and content. It is intended for mature viewing.
