Closer Than You Think: The Easy Guide to Connecting with Loved Ones on the Other Side Deborah Heneghan

Deborah Heneghan was fifteen when her seventeen-year-old sister died of Leukemia. A few weeks later, Debbie woke in the middle of the night to her sister's faint whisper summoning her. That was the beginning of Heneghan's connection with her deceased sister, one that continues to this day - twenty-five years later.

Closer Than You Think is filled with inspirational stories of Debbie and her sister, as well as stories from all walks of life - heart-warming, happy stories to tear-jerking, tragic situations turned sweet. The depth and breadth of information will fill you with a sense of peace, comfort, hope and certainty that our loved ones on the other side do *live on*; and we *can* reach out, connect and remain close with them. You may even feel compelled to go within, find the courage and faith to move forward with your life, and go after those dreams you've had since you were a kid. You'll laugh, you'll cry, you'll feel a warmth all around and within you. Most of all, you'll be touched and inspired to find the blessings and gifts in your life or your situation to help you turn your pain into peace.

In Closer Than You Think, Heneghan shows readers how to get back in touch with deceased loved ones and find guidance and a helping hand from their big-picture perspective in the beyond. Heneghan provides tips, tools, strategies and stories to help the reader connect and communicate with their loved ones on the other side and remain close to them in a natural, healing way.

Closer Than You Think shows how to:

- Shed those beliefs or clear any blocks that may be keeping you from connecting to your loved ones
