Freedom: A Novel Jonathan Franzen

Patty and Walter Berglund were the new pioneers of old St. Paul—the gentrifiers, the hands-on parents, the avant-garde of the Whole Foods generation. Patty was the ideal sort of neighbor, who could tell you where to recycle your batteries and how to get the local cops to actually do their job. She was an enviably perfect mother and the wife of Walter's dreams. Together with Walter—environmental lawyer, commuter cyclist, total family man—she was doing her small part to build a better world.

But now, in the new millennium, the Berglunds have become a mystery. Why has their teenage son moved in with the aggressively Republican family next door? Why has Walter taken a job working with Big Coal? What exactly is Richard Katz—outré rocker and Walter's college best friend and rival—still doing in the picture? Most of all, what has happened to Patty? Why has the bright star of Barrier Street become "a very different kind of neighbor," an implacable Fury coming unhinged before the street's attentive eyes?

In his first novel since *The Corrections*, Jonathan Franzen has given us an epic of contemporary love and marriage. *Freedom* comically and tragically captures the temptations and burdens of liberty: the thrills of teenage lust, the shaken compromises of middle age, the wages of suburban sprawl, the heavy weight of empire. In charting the mistakes and joys of *Freedom*'s characters as they struggle to learn how to live in an ever more confusing world, Franzen has produced an indelible and deeply moving portrait of our time.

From reader reviews:

Lois Maestas:

Do you have favorite book? In case you have, what is your favorite's book? Publication is very important thing for us to find out everything in the world. Each guide has different aim or perhaps goal; it means that reserve has different type. Some people sense enjoy to spend their a chance to read a book. They may be reading whatever they consider because their hobby is definitely reading a book. Why not the person who don't like reading through a book? Sometime, man or woman feel need book when they found difficult problem or even exercise. Well, probably you will want this Freedom: A Novel.

Bessie Starns:

A lot of people always spent their own free time to vacation or maybe go to the outside with them friends and family or their friend. Did you know? Many a lot of people spent they free time just watching TV, or even playing video games all day long. If you wish to try to find a new activity that is look different you can read a book. It is really fun for yourself. If you enjoy the book which you read you can spent the whole day to reading a publication. The book Freedom: A Novel it is rather good to read. There are a lot of those who recommended this book. These folks were enjoying reading this book. Should you did not have enough space bringing this book you can buy the particular e-book. You can m0ore very easily to read this book from the smart phone. The price is not to fund but this book offers high quality.

Robert Williams:

Precisely why? Because this Freedom: A Novel is an unordinary book that the inside of the guide waiting for you to snap the idea but latter it will jolt you with the secret it inside. Reading this book close to it was fantastic author who write the book in such remarkable way makes the content interior easier to understand, entertaining way but still convey the meaning thoroughly. So , it is good for you because of not hesitating having this ever again or you going to regret it. This book will give you a lot of positive aspects than the other book have got such as help improving your expertise and your critical thinking means. So , still want to hesitate having that book? If I have been you I will go to the e-book store hurriedly.

Roy Jordan:

Playing with family within a park, coming to see the water world or hanging out with friends is thing that usually you could have done when you have spare time, after that why you don't try matter that really opposite from that. One particular activity that make you not feeling tired but still relaxing, trilling like on roller coaster you already been ride on and with addition info. Even you love Freedom: A Novel, you may enjoy both. It is excellent combination right, you still wish to miss it? What kind of hang type is it? Oh come on its mind hangout people. What? Still don't buy it, oh come on its named reading friends.
