## **Meows, Magic & Manslaughter (Lake Forest Witches) (Volume 2)** Madison Johns

Life in Lake Forest is interesting enough with new witch Petunia Patterson creating potions that actually work and communicating telepathically with her cat, Pansy, who was once a man until one of those potions accidentally changed him into an animal. But things heat up when Petunia is threatened by the mayor with a five-thousand-dollar fine for breaking a local ordinance for making these potions from home. Then things quickly go from bad to worse when Petunia marches over to the mayor's house with plans to plead to his wife Bonnie about changing the ordinance. There, Petunia discovers the body of Florence McHenry floating face down in the pool. Since Florence had an affair with the mayor recently, Bonnie is certainly in the hot seat. Petunia and her neighbor Noah vow to get to the bottom of the mystery and discover who is trying to frame Bonnie for the murder.
