Operation Sea Lion

Action Adventure Romance

by

Bert M. Roberts

Operation Sea Lion was the German code name for the invasion of England during World War II. Today it is the code name for the deadly invasion of the oceans most fertile fishing grounds by an International Cartel. Fishing trawlers are trapped in explosions and the fiery inferno sweeps across Galveston Bay in the Gulf of Mexico and simultaneous explosions erupt in the Sea of Cortez off the coast of Rocky Point, Mexico. Creatures of the sea are systematically being exterminated. Panic buying is widespread in the supermarkets. Two dynamic women, and former flight attendants, Melanie Marshall and Monica Barlow, are thrust in the center of the mayhem and find their lives at risk. They are pitted against formidable and merciless opponents. Could Melanie's father, JD Marshall, a major worldwide power broker and president of the great Corel Corporation, be involved in such atrocities?

The Pond is one hundred square miles of man-made inland desert sea. The product in the pond must be protected at all costs. Melanie and Monica enlist the help of Fred Watkins; an almost blind retired military pilot, to fly his vintage PBY flying boat on one last critical mission. But to attack the fortified beach house in Rocky Point, Mexico from the land... would be suicide.

It's been six years since Brad Hunter and Buddy Roberts shared the Aloha Spirit with Melanie and Monica on the beaches of Lanikai, Hawaii. Melanie and Monica return to the mainland and Brad and Buddy encounter all the trouble they can handle in Las Vegas. Aided by the Lettuce Lady, and her garbage truck, they dodge a demented madman bent on killing them and catch up with Monica and Melanie at Ryan Field outside Tucson, Arizona and aid in their midnight raid from the sea.

The rekindling of past loves and desires ebb and flow through the turbulent currents of action, greed and deceit. The product in The Pond is ready for harvest... it must not be compromised.

Melanie Marshall and Monica Barlow, ex-flight attendants dealing with the permanent and long range aftershocks of 911, try desperately to put their lives in order. Longing to fill their emotional void, they are unexpectedly thrust into a hellacious whirlwind of corporate greed and murder. Melanie's father is missing. Explosions erupt and fires and acid smoke sweep across Galveston Bay in the Gulf of Mexico and simultaneous explosions ignite the surface of the sea, over one thousand miles away, in the Sea of Cortez off the coast of Rocky Point, Mexico. The sea is awash with dead fish, shore birds, and dolphins and many other inhabitants of the sea caught in the inferno. Each wave serves as a funeral procession delivering lifeless remains upon the beach to rot in the hot summer sun. Panic buying is widespread in the supermarkets. Melanie learns that Operation Sea Lion was the code name for the German invasion of England during World War II. Today its meaning is even more sinister. She and Monica must protect the product in The Pond. They set aside their competitive and personal differences and formulate a battle plan to rescue her father and engage a vicious International Cartel responsible for the senseless annihilation of the creatures of the sea.

Navy Blue by Bert M. Roberts is the sequel to Operation Sea Lion.
