It's time you took your career into your own hands. If you ever thought about radio broadcasting, this book is for you. It will show you how to start, and once you've started how to succeed. Even if you don't have any experience in radio, this book will give you real and practical strategies that will help you get started in the business.

Here are some examples of the help you'll find in the book: How to create a radio resume with zero radio experience. How to get an interview without knowing anyone in the business or having any direct experience and what exactly you should say when you get that interview. How and where to start in radio. The benefits of going back to school for a communications certificate or degree. How to develop your skills once you get your big break.

This is your time! If you've wanted to work in radio, been told you should do it, thought about doing it, then stop planning to do it and start doing it!
