Lust, Sex and Love are experiences which the young and beautiful Satsuma Larene, hoped would happen to her. A gorgeous, Sex Therapist extraordinaire, she didn't lose her virginity until she was twenty years old, but you wouldn't know this because she had studied the art of sex, and was more familiar with every aspect of sex than many of her friends who had actually already had sex! Once she lost her virginity to Roberto, a tall, handsome London Lawyer, all bets were off. Satsuma embraced her sexuality and participated in exciting sexual activities with Roberto and other couples. Satsuma didn't believe in love, until the very debonair and successful Dr. Michael King came into her life. Her excitement turned sour when she was dumped by Michael; she gave up on love but, continued to explore sex with different people. When love found her again, she was reluctant to give up her exciting sex life. Could she convince her new love to join her sexual, hedonistic lifestyle?
