Its A Dogs World (Name That Doggy) Speedy Publishing LLC

The best method for getting a child to engage in learning is to give them subjects that they are already interested in and use it as a vehicle to teach them. It could be a favorite book or even a pet. Therefore, if they are interested in picture books, the books that contain dogs can be used to develop their imagination. At this point, a parent or teacher can ask them to imagine stories about the dogs that appear in these books.
