**Soldier's Companion (Space 1889 Sci-Fi Roleplaying)** Frank Chadwick

This long awaited reprint combines a good, solid set of 19th-century miniatures rules with the Victorian Science Fiction elements of Space: 1889 ®. While allowing for the addition of land juggernauts, combat tripods, and aerial flyers, the rules work just as well for a rag-tag British column fighting its way through the passes of the Northwest Frontier. Soldier's Companion covers the wealth of period military equipment and extensively details the major armies of Earth, Mars, Venus, and Luna.
