The Prosperity Gospel: Truth or Lie?: Reviewing the "Wealth Gospel" Jean Maurice Prosper

In this actual generation, God is practically absent. The World is now a place where personal glory, fame and riches is the prime goal of everybody. The society is now a success driven one and the importance of having money and riches has never been more important. Christianity have unfortunately been caught up in this movement and we now have a new type of gospel known to many as the Prosperity Gospel. For many, this gospel is the intention or blessings that God has declared for his followers, for others this is simply a twisted and corrupted version of the real Gospel. This book is an invitation to review the claims of the prosperity gospel and at the same time, review what the Bible really teaches. Are we born to be rich and possess the world? Are we to live in extreme riches and abundance until our Lord returns or are we called to live out as followers and disciples of Jesus, being content with what we have and leaving everything we need to Jesus? Does God really promises all the riches of the world to all of us once we start following Jesus? Join me in this interesting and most important exploration of the hottest topic around, The prosperity gospel.
