Weathercraft: A Frank Comic Jim Woodring

The first graphic novel from a master of the form, co-starring his beloved “Frank” character.

For over 20 years now, Jim Woodring has delighted, touched, and puzzled readers around the world with his lush, wordless tales of “Frank.” *Weathercraft* is Woodring’s first full-length graphic novel set in this world?indeed, Woodring’s first graphic novel, period!?and it features the same hypnotically gorgeous linework and mystical iconography.

As it happens, Frank has only a brief supporting appearance in *Weathercraft*, which actually stars Manhog, Woodring’s pathetic, brutish everyman (or everyhog), who had previously made several appearances in “Frank” stories (as well as a stunning solo turn in the short story “Gentlemanhog”).

After enduring 32 pages of almost incomprehensible suffering, Manhog embarks upon a transformative journey and attains enlightenment. He wants to go to celestial realms but instead altruistically returns to the unifactor to undo a wrong he has inadvertently brought about: The transformation of the evil politician Whim into a mind-destroying plant-demon who distorts and enslaves Frank and his friends. The new and metaphysically expanded Manhog sets out for a final battle with Whim...

Weathercraft also co-stars Frank’s cast of beloved supporting characters, including Frank’s Faux Pa and the diminutive, mailbox-like Pupshaw and Pushpaw; it is both a fully independent story that is a great introduction to Woodring’s world, and a sublime addition to, and extension of, the Frank stories.

Weathercraft will be a defining graphic novel of 2010.

104 pages of black-and-white comics
