**Battle of the Dragon (The Chronicles of Dragon, Series 2, Book 3) (Tail of the Dragon)** Craig Halloran  
A new future unfolds ...

After a harrowing escape from Urslay, the city of giants, Nath, Brenwar, and Selene find themselves in the sanctuary of the Elven Field of Dreams. The solitude and peace in the lush land offers refreshing waters but that does not last long. The wilder elves, guardians of the sanctuary, take Nath and company prisoner as he stands accused of murder. Bewildered by the accusation, Nath searches for the truth only to have Fang stolen while he lays abandoned in an inescapable prison.

Nath will need some new allies to come forward as he fights for freedom and to find the truth. Meanwhile, the titans continue to rally more evil forces as they strengthen their grip on Nalzambor and turn loose giant soldiers called The Nuurg that ride the monstrous Wrathorns.

It will be another ultimate Battle for Nath Dragon and his friends.

Thanks to the power of Fang, Nath, Brenwar and Selene avoid certain death at the giant home, Urslay. Winding up in the Elven Field of Dreams, their time to heal is cut short when a renegade band of wilder elves imprisons them.

Locked up in the secret Inner Sanctum of Lheme, Nath discovers that their teleportation was more than just a trek from one part of Nalzambor to another. It sent them forward in time. Since he and his companions have been gone, much as happened.

In Nath's absence, the titans have infiltrated the cities and taken over the will of the people. Giants guard the inhabitants with watchful eyes but that is not all, the titans have also framed Nath Dragon for the murder of some high-ranking officials.

It's Nath Dragon and his best allies against a world turned against them. Will they all survive?
