FROM RAUNCH TO RICH IN THE GRAND AMERICAN TRADITION: The Rise of Larry Flynt!

Boye Lafayette De Mente

The story of the rise of Larry Flynt from a rustic but naturally brilliant Kentucky hillbilly to great wealth and notoriety is one of the most remarkable sagas of the 20th century...especially so because it began in my office in Phoenix Arizona in a very innocuous way—a way that no one could have possibly imagined.

After a two-hour conversation in my office I went home and said to my wife these exact words: “I just met a man who could be president of the United States as soon as he is old enough to qualify!”

My subsequent direct involvement with Larry and his cohorts, particularly his live-in mistress and eventually-to-be wife Althea Leasure, was something the most imaginative fiction writer could not dream up. This is his story as I lived it with him.
