The World Since 1945: An International History

P. M. H. Bell, Mark Gilbert

The World Since 1945: An International History P. M. H. Bell, Mark Gilbert

A masterly synthesis of the history of the contemporary world, *The World Since 1945* offers the ideal introduction to the events of the period between the end of the Second World War and the present day. P. M. H. Bell and Mark Gilbert balance a clear narrative with in-depth analysis to guide the reader through the aftermath of the Second World War, the Cold War, decolonization, Détente and the Arab-Israeli Conflict, up to the on-going ethnic strife and political instability of the 21st century.

The new edition has been thoroughly revised to fully reflect developments in the history and historiography of the post-war world, and features five new chapters on the post-Cold War world, covering topics including:

- The rise and fall of American hegemony
- The decline of Europe
- The rise of Asia
- Political Islam as a global force

The World Since 1945 challenges us to better understand what happened and why in the post-war period and shows the ways in which the past continues to exercise a profound influence on the present. It is essential reading for any student of contemporary history.
