The women who donned military uniforms in the American Revolutionary War led the way for those women who wear the uniforms of today's military. The U.S. Army War College Library compiled *Women in the Military: A Selected Bibliography* to highlight some of the accomplishments and challenges faced by these servicewomen. With certain exceptions, the materials in this bibliography are dated from 2005 to the present. For older materials, please see *Women in the Military: A Selected Bibliography*, compiled by Jacqueline S. Bey, January 2005. All items are available through the USAWC Library. For your convenience, we have added U.S. Army War College Library call numbers, Internet addresses, or database links at the end of each entry. Web sites were accessed August 2009. This bibliography and others compiled by our research librarians are available online through the Library's home page at <http://www.carlisle.army.mil/library/bibliographies.htm>.
