[(Blue-eyed Son : The Story of an Adoption)] [By (author) Nicky Campbell] published on (November, 2005) Nicky Campbell

'Blue-Eyed Son is a personal history, but its themes family, self-identity and filial love are universal' Daily Mail Raised in a comfortable middle-class home, Nicky Campbell's Scottish Protestant family cared and nurtured him as their own, while remaining open about the fact he'd been adopted. His father an ex-army man and his mother helped him to a good school and a good university. Nicky rarely thought of his birth parents, until a combination of an imploding marriage and a chance meeting with a private detective led him to track his mother down. Nicky Campbell brilliantly recalls their reunion and tentative steps towards a relationship, evoking all the complex and deep-seated emotions that being reunited elicited in each of them. But as they talked it became clear that there was more to Nicky's background than he expected...In this emotionally gripping and refreshingly honest memoir, Nicky Campbell describes the many sides of a family's dark history, and how it feels to find out where you come from.
