Young, innocent Sandra just had a little *oral* accident with her sweet and trusting fiancé. They call the ambulance to make sure she's okay, but these *strapping, sexy* EMTs have some strange, *sexy procedures* in store for her.

They're going to bring her to *the very edge of ecstasy* by administering an *extra thorough examination* of *all her hottest holes*. She'll be *completely stuffed with their man-meat*, and *then stuffed again when the doctors show up!* They'll do *anything* to help her through this *increasingly naughty procedure!*

First, they'll just have to get that *tasty cherry* out of the way using their most sensitive tools—*the biggest tools in their pants!* It's going to be a *fast, hard ride*—and *without a shred of protection!*
