Red Red Rose is the first in a series of romantic suspense stand-alones.

As the Pacific Northwest is rocked by a string of brutal murders, Nora Scott is caught up in a deadly game of cat-and-mouse. The body count is rising and Nora fears the next victim has already been taken. It's been two weeks since anyone has heard from her best friend, and despite the profile that doesn't match, Nora refuses to believe Emily's disappearance is a coincidence. While authorities try to reassure the community of Bellingham, Washington that the killer isn't hunting in their town, the killer begins leaving clues behind for Nora that prove her best friend is right in the middle of it all. Will Emily be the key to finding the killer before it's too late, or will he end the game and take the prize he really wants? Who can Nora trust when everyone is a suspect, including the guy she fears she may be falling for?
