Taiwan's Struggle: Voices of the Taiwanese

Taiwan's Struggle: Voices of the Taiwanese

This comprehensive book explores contemporary Taiwan from the perspective of the Taiwanese themselves. In a unique set of original essays, leading Taiwanese figures consider the country's history, politics, society, economy, identity, and future prospects. The volume provides a forum for a diversity of local voices, who are rarely heard in the power struggle between China and the United States over Taiwan's future. Whether it will be absorbed by China, continue in its current limbo as an unrecognized state, or seek outright independence and national sovereignty remains an open question. Reflecting the deep ethnic and political differences that are essential to understanding Taiwan today, this work provides a nuanced introduction to its role in international politics.

Contributions by: Andrew C. Chang, Chang Chang-yi David, Pochih Chen, Chen Yi-shen, Chi Guo-chung, Strong C. Chuang, Frank S. T. Hsiao, Jolan Hsieh, Joseph C. C.
