**The only guide to accounting tailor-made for Canadians, now revised and updated**

Job prospects are good for those looking to enter the Canadian accounting industry, and *Accounting For Canadians, Second Edition* is the essential resource for anyone interested in doing so. Packed with the information accountants and auditors who work in public and private industries and in government need to know in order to stay on the right side of Canadian accounting law, the book is also a must-have for salary accountants working for accounting, tax preparation, bookkeeping, and payroll services firms.

- Essential reading since the new GAAP became mandatory for publicly accountable enterprises and government business enterprises at the beginning of 2011
- Covers the new International Financial Reporting Standards
- Addresses new standards for private enterprises that business leaders need to know
- Still the only trade book that covers Canadian accounting practices

The ideal book for both accounting professionals as well as students who are currently working towards a degree in accounting or auditing services, *Accounting For Canadians For Dummies* provides the applicable and helpful advice that you need to succeed.
