## **Diaries of an Internet Lover** Dawn Porter

Tired of looking for Mr Right when all she wanted was casual fun, Dawn Porter placed an ad on the craigslist website – notorious for its no-strings adult ads – to see what handsome, wealthy and charming men would respond to her request for surprising nights out and possibly more. Nine months later and the results make for jaw-dropping reading.

A cast of characters you couldn't invent do their best to impress Ms Porter with their wit, wisdom and physical attributes. With nicknames like the 'very clever wolf' and the 'big bumbino', these would-be suitors' antics read like a modern comedy of sexual manners.

Not content with looking for lust with cute guys, Ms Porter explores her 'bi-curious' side and builds up to a liaison with a couple. With a taste for fancy restaurants, fine wines and men who make her laugh, Dawn's dates are a bang-up-to-the-minute look at modern dating from a clued-up young woman with her eyes on the prize. The question is, will she actually fall for any of her dates?
