**Mérito: construyendo el país de nosotros (Spanish Edition)** Arturo Franco

Sumado en una profunda crisis de autoridad y de confianza institucional, México parece entrar en un momento crítico, un punto de inflexión en su historia moderna. La sociedad mexicana tiene más herramientas que nunca para comprender y cambiar su realidad. Un reclamo necesario y urgente en el país es el reemplazo de la cultura que domina a nuestra élite, la cultura del privilegio, con su opuesta, la cultura del mérito. Para lograrlo, México debe volcarse nuevamente a la tarea de construir una meritocracia plena, buscando que el talento, la honestidad, la dedicación, la consciencia social y el rigor moral vuelvan a ser los pilares de nuestro liderazgo público, y del país que todos queremos.
