Not everyone gets to play Major League baseball. In fact, not everyone has played Little League or even pick-up games. But everyone can play fantasy baseball--and it seems as if almost everyone does, with the huge boost the game received via the Internet. Fantasy Baseball is the greatest thing to happen to baseball fans since the invention of the sport itself, according to Michael Zimmerman, author of *The Complete Idiot's Guide to Fantasy Baseball*. You are the one with all the power--you are the owner, general manager, and manager in a league of your own. See how to draft real major league players to form your own team. Use real stats from each real season. Use your own money. And if you win, you own the right of all rights: bragging. And if you stink? You have only yourself to blame.
