In *The Missional Leader*, consultants Alan Roxburgh and Fred Romanuk give church and denominational leaders, pastors, and clergy a clear model for leading the change necessary to create and foster a missional church focused outward to spread the message of the Gospel into the surrounding community. *The Missional Leader* emphasizes principles rather than institutional forms, shows readers how to move away from “church as usual,” and demonstrates what capacities, environments, and mindsets are required to lead a missional church.
