Vol. 4 of 'Art Nudes with Snakes,' "Laurel Rae as Eve, Naked in the Garden with Snake, Color and Black and White, Implied Nude Photography," features Tucson's nude model Laurel Rae posing Naked as Eve with apples. Of course, Eve is wrapped in company with a large female Red Tail Boa Constricting Snake.

With exotic features, brunette hair and beautiful dark brown eyes, being only 5'5" tall, and possessed of a trim fine boned frame, 'Eve' is both shorter in length and thinner in limb than our long and thick lady Boa.

The snake has a magnificent patterning to the skin of her girthy long and strongly muscled body. With a mind and will of her own, she is often in a constant, unpredictable and sinuous motion, in directions of her choosing. Both longer than & fatter in girth than Eve's delicate limbs, she coils her serpentine form in a series of writhes & poises onto and around our fair beauty.

Includes 45 implied nude images, in color and black and white, of this sensual and alluring subject, best viewed using the cloud, Kindle Fire, PC, MAC or other large screen high resolution color screen. Early generation black and white only Kindles may exhibit formatting or other issues.
