The Analects Confucius

A record of the words and teachings of Confucius, *The Analects* is considered the most reliable expression of Confucian thought. However, the original meaning of Confucius's teachings have been filtered and interpreted by the commentaries of Confucianists of later ages, particularly the Neo-Confucianists of the Song dynasty, not altogether without distortion. In this monumental translation by Professor D. C. Lau, an attempt has been made to interpret the sayings as they stand. The corpus of the sayings is taken as an organic whole and the final test of the interpretation rests on the internal consistency it exhibits. In other words, *The Analects* is read in the light of *The Analects*. This results in a truer understanding of Confucius' thought than the traditional interpretation and paves the way for a re-assessment of its importance in the history of Chinese thought and its relevance to the present day world. This volume also contains an introduction to the life and teachings of Confucius, and three appendices on the events in the life of Confucius, on his disciples, and on the composition of *The Analects*.

From reader reviews:

William Bellard:

The book The Analects make you feel enjoy for your spare time. You may use to make your capable considerably more increase. Book can to get your best friend when you getting pressure or having big problem using your subject. If you can make examining a book The Analects being your habit, you can get far more advantages, like add your current capable, increase your knowledge about a few or all subjects. You are able to know everything if you like wide open and read a publication The Analects. Kinds of book are several. It means that, science reserve or encyclopedia or others. So , how do you think about this book?

Olivia Clinard:

Exactly why? Because this The Analects is an unordinary book that the inside of the e-book waiting for you to snap this but latter it will distress you with the secret the idea inside. Reading this book beside it was fantastic author who have write the book in such incredible way makes the content inside of easier to understand, entertaining method but still convey the meaning entirely. So , it is good for you for not hesitating having this any longer or you going to regret it. This unique book will give you a lot of benefits than the other book include such as help improving your skill and your critical thinking approach. So , still want to hold up having that book? If I were you I will go to the publication store hurriedly.

Larry Tatro:

The Analects can be one of your basic books that are good idea. We all recommend that straight away because this e-book has good vocabulary that could increase your knowledge in vocab, easy to understand, bit entertaining but nonetheless delivering the information. The copy writer giving his/her effort to set every word into enjoyment arrangement in writing The Analects but doesn't forget the main position, giving the reader the hottest in addition to based confirm resource details that maybe you can be among it. This great information can certainly drawn you into brand new stage of crucial pondering.

Gerard Norman:

Is it you actually who having spare time after that spend it whole day through watching television programs or just telling lies on the bed? Do you need something totally new? This The Analects can be the response, oh how comes? It's a book you know. You are thus out of date, spending your extra time by reading in this brand-new era is common not a nerd activity. So what these guides have than the others?
