Sexy Australian billionaire Grant Devlin is ruining my life. He exercises shirtless in his office, is notorious for his lunchtime hook-ups, he even yawns sexily. If I didn't need this job so bad, I'd take his black Amex and tell him where to swipe it.

He doesn't even know I exist, but why would he? He jets off to Paris with supermodels, I spend Friday nights with Netflix and a chunk of Pepperidge Farm frozen cake—waiting for his call. Because every time he crashes his yacht, or blows \$500k on a single roulette spin in Monte Carlo, I'm the PR girl who has to clean up his mess.

But this time, it's going to take more than just a fat charity donation. This time, the whole company is on the line. He needs to show investors that he's settling down, and Step #1 is pretending to date a nice, stable girl until people forget about what happened with the Playboy Bunnies backstage at the Oscars.

My plan is perfect, except for one thing:

He picks me.
