The Truest Thing About You: Identity, Desire, and Why It All Matters David Lomas, D. R. Jacobsen

There are true things about us and there are truer things. David Lomas invites readers to move beyond what may simply be true to the truest thing, discovering a real identity in Christ. We are all bundles of competing desires and half-true labels. We carry them around like scars; we carry them around like badges. They tell us we are no more than a job description, relationship status, or appearance. But the most important and truest identity of every Christian is that they are loved, accepted, and created in the image of God. In *The Truest Thing about You*, Lomas addresses head-on the deepest questions of the soul: How can I know the truest thing about me? Not who I wish I was or who others say I am, but who am I really? He guides readers to uncover and embrace the reality of how God sees them - and why it all matters. You will learn to give what your spouse needs most in marriage, and take what you need most in return. Find out:

- How couples fall in and out of love
- Why marital negotiation is so tough
- How to overcome selfish demands
- How to get your spouse to meet your needs
- How to resolve everyday conflicts

By learning to give and take fairly and effectively, you and your spouse can grow in love and compatibility.
