Kevin Leu

Berating Others On Your Way to a Lifetime of Happiness: That, and Dating Around the World Kevin Leu

Ludicrous, belligerent, irresponsible, yet tantalizingly handsome, the Silicon Valley Bachelor has been the most sought after bachelor since Steve Wozniak. He's partied all over the world, proudly making it a point to get drunker than everyone else - particularly at technology events where alcohol is free and others are too busy networking. Many of his stories will have you doubled over laughing or feeling nauseous, saying to yourself, "TMI. T-M-I."

In this book, you'll learn about the best ways to interact with women, how to travel the world on dimes, how to identify douchebags and douchettes, what ethnicities are the best in bed, and generally get a sense of what a low level of writing skills look like in book form.
