They take refuge at Motorhome Park in Colorado, but the enemy finds them.

It's one battle after another. The group becomes a battle hardened force to be reckoned with.

A new General comes on the scene, and tells them a secret about the enemy. Frank becomes the most important person in the war, because only he can exploit the new knowledge.

The Colorado *RV Park* is fortified, and has better defences than any other place they've been, but will it be enough? Will they have to get into their *Motorhomes* and flee to safety, while Frank works to exploit the enemy secret?

New characters join the team, and provide better capability. The group is committed to preserving liberty in the USA. Will they prevail?
