Covert Warriors (A Presidential Agent Novel) W.E.B. Griffin, William E. Butterworth IV
Charley Castillo and the former members of Presidential Agent's Office of Organizational Analysis are officially "retired." But that doesn't mean they're out of action...

At a Mexican roadblock, a US Embassy SUV is stopped at gunpoint, three of its passengers murdered, and a fourth kidnapped. Everything points to the drug cartels, especially when the kidnapers say they will return the hostage if a cartel kingpin is released from US federal prison. But when word gets to Castillo and his group of retired spies and special operators, they have their doubts.

They believe that it's a diversion—that the murders and kidnapping were ordered by someone to lure Castillo & Company to their deaths. But even knowing that may not save them. Powerful forces in the US government are arrayed against them as well, and if one side doesn't get them...the other side will.
