**Me, Him, Them, and It** Caela Carter

ME: Evelyn, closeted good girl turned bad.

HIM: Todd, her supposed Friend with Benefits.

THEM: Her cold, distant parents.

IT: The baby that's growing inside her.

When Evelyn decided to piss off her parents with a bad reputation, she wasn't planning to ruin her valedictorian status. She also wasn't planning to fall for Todd?the guy she was just using for sex. And she definitely wasn't planning on getting pregnant. When Todd turns his back on her, Evelyn's not sure where to go. Can a distant mother, a cheating father, an angry best friend, and a (thankfully) loving aunt with adopted daughters of her own help Evelyn make the heart-wrenching decisions that follow?
