Story of the Eye (1st City Lights ed)

Georges Bataille

Story of the Eye (1st City Lights ed) Georges Bataille

In 1928, Georges Bataille published this first novel under a pseudonym, a legendary shocker that uncovers the dark side of the erotic by means of forbidden obsessive fantasies of excess and sexual extremes. A classic of pornographic literature, Story of the Eye finds the parallels in Sade and Nietzsche and in the investigations of contemporary psychology; it also forecasts Bataille's own theories of ecstasy, death and transgression which he developed in later work.
